# 2025 Rally in the 100 Acre Wood Supplementary Regulations

## 1 INTRODUCTION

- 1.1 It's 100 Acre Wood time again. On behalf of the 30-member organizing committee, we want to thank you for choosing this event. We hope to make it a great one for everyone. We cannot do this without the support of 200+ volunteers, so be sure to thank them whenever you see them. This event takes place in Dent and Washington counties in Missouri and it would mean a lot to us and them if you could support them whenever you can. Whether you need hotel rooms, food, drinks, gas, car parts, or souvenirs, try to get them in Salem, Sligo, Jadwin, Potosi, or even Viburnum and Bixby.

We have many property owners along the stages, most of whom appreciate the show that the competitors put on as they race by, but do remember to be sensible and safe during recce when the roads are open to everyone and while traveling around the area. Most rally attendees are visitors to the area so do your best to be courteous and respectful to our hosts.

## 2 DESCRIPTION & ORGANIZATION

- 2.1.1 This event will be held under the current American Rally Association (ARA) Rules. The 2025 American Rally Association Rules and Regulations can be found at <https://www.americanrallyassociation.org/rulesandbulletins>. The Rally in the 100 Acre Wood (100AW) will consist of two days of competition and is part of the ARA National Rally Championship. The concurrent two-day Super Regional event is part of the Central Regional Championship.
- 2.1.2 National competitors will have one additional power stage at the end of the day on Saturday. Regional competitors will receive their trophies while this is running.
- 2.1.3 The route will be approximately 397 miles in length with approximately 136 miles of competitive stages for national and 369 miles in length and 128 miles for regional. All competitive stages will be held on roads that consist primarily of gravel, and will vary somewhat in width and tightness. Roads vary from sweeping, well-groomed roads to tight and twisty.
- 2.1.4 Any additional changes or additions to these Supplementary Regulations will be announced only by numbered and dated bulletins. The Organizers and/or the Stewards shall decide upon any conditions not foreseen in these regulations.
- 2.2 As has been seen over the past several years, Missouri weather patterns can best be described as capricious. The committee is prepared to conduct this event under any circumstances and will give the contestant competition regardless of weather conditions.
- 2.3 Organizer's Name: 100AW Performance Rally Group
