

2024 SUPPLEMENTARY REGULATIONS

Oregon Trail National & Super Regional Rallies

May 17-19, 2024

Portland International Raceway

Goldendale, Washington

Dufur, Oregon

Part of the:

2024 ARA National Championship & West Regional Championship

California Rally Series Championship

Welcome to Oregon Trail Rally 2024!

The Oregon Trail Rally presented by Wilsonville Subaru is the 4th round of the 2024 American Rally Association National Championship. Our Super Regional event, occurring at the same time, will be honoring the original founders of our rally. The Super Regional will count towards the American Rally Association West Regional Championship, as well as the California Rally Series Championship.

It's going to be an action-packed event with three days of racing starting at Portland International Raceway Friday, then Goldendale on Saturday, and finishing in Dufur Sunday. To give back to our community we will continue to partner with local non-profits like K9 Kavalry (visit their booth at PIR Friday) and the American Legion in Goldendale where we will be having a pancake breakfast fundraiser Saturday morning.

Route wise you will see a very familiar schedule as in prior years including our second year of Nagle's Revenge Sunday and Starveout will be the Power Stage.

We are very excited that our long time sponsor Primitive Racing will host our recce registration this year.

Since we are guests in the community we race in, please observe the speed limits, be courteous, and be as quiet as possible when on recce and transits. Recce roads are open two-way public roads so please be especially observant at blind corners, exposures and school zones & buses.

Oregon Rally Group, the team that puts on OTR, is a non-profit that is organized by over two dozen volunteer committee members and over 350 volunteers the week of the rally! A big THANK you to all those that make this event possible. Please make a volunteer's day by thanking them for their help.

13.4.3 Podium/Awards to be held Sunday May 19th in downtown Dufur (same location as parc expose).

14. Sanction Exemptions

14.1 Stages 1 & 2 at Portland International Raceway will be run at 30 second intervals and in reverse order.

14.2 All vehicles must carry a metal bladed shovel. This is for spill cleanup, and fires.

14.3 Sound checks at Portland International Raceway: During scrutineering all cars will be checked for sound using a sound testing meter. The track recommends that all cars not exceed DBA of 103 due to local sound ordinances.

14.4 The speed limit on the grounds of Portland International Raceway is **15mph**. We had issues with folks speeding especially before spectators arrived last year. We will have a O Control at PIR this year so please remind your service crews they must stop at any O Control. Anyone associated with the rally found to be speeding above 20mph will be fined \$200.

14.5 No Go Zones: Due to neighbor's concerns, rally traffic is prohibited on some roads during OTR. These roads are Robers Marked Rd south of its junction with Fifteen Mile Road (near the end of the Nagle's Revenge stage), Wrentham Market Road south of its junction with Mason Road (near end of Shadowbuck stage) and Center Ridge Road east of Hastings Ridge Road. Any violations of this may be subject to a \$150 fine and we could lose those stages in the future.
