If the event is canceled a full refund will be issued.

5. Insurance

Insurance provided by United States Auto Club (USAC) and will be on display at the online competitor notice board, scoring booth during the event and on the event website.

6. Event Sponsor Advertising

The event MAY use the event sponsor advertising space allowed by the current ARA rules. Teams may refuse the rally sponsor's advertising by paying a \$1,000 fee at the time of registration. All ARA series advertising must be properly displayed on competition cars.

7. Fuel

7.1 Fuel Requirements

Competitors are required to supply/ purchase their own fuel for the event. Fuel must be in compliance with the ARA fuel requirements.

Pump fuel will be available near the HQ of the rally. The last spot to refuel on the way to the stages is in California City if you are coming from Southern CA, and Inyokern if you are coming from Northern CA. Octane may vary from station to station.

All fuel canisters must have competitor car numbers written on them and must be VENTED while in the fuel area. Failure to follow this rule will result in a \$200 penalty.

7.2 Fueling Vehicles During the Event

Competitors can only refuel in the designated fuel area. These fuel areas will be adjacent to the service area just outside of MTC. Fueling must be performed on the asphalt within the fueling area. Transit times will allow for fueling time.

8. Reconnaissance

8.1 Recce Procedures.

Recce will start at 09:30 and will conclude at 17:30 for a total of 8 hours of recce. All competitors and vehicles must be off the stages at 17:30. Any competitor performing reconnaissance outside of allowed hours will be subject to fines defined in the RCR. Only registered competitors shall take part of recce unless additional passengers are approved by the competition director and submitted to the organizers prior to recce. Recce will be done at the competitors own accord and is not mandatory but highly recommended.

No roads will be closed for recce so be aware of your surroundings. This area does have traffic including side by sides, dirt bikes, quads, and other vehicles. Two-way rally and public traffic should be expected.

Car number corresponding to your competitor number must be visible on the top driver side of the windshield of your recce vehicle. This will be distributed at registration. Vehicles failing to display their recce sticker will be considered a reconnaissance violation subject to RCR 1.2.1.

Competitors will be given Gibeault stage notes which are included in your entry fee. Pace notes will be printed in a separate book from the route book.

8.2 Specific restrictions

Speed limit for recce on all stages and transit areas is 30 mph once within Jawbone Canyon area.

8.3 Acceptable Recce Cars.

Vehicles used for recce must be normal street vehicles with no lettering or advertising which would call undue attention to the vehicle; exhausts must be quiet. No prepared rally cars will be allowed. The Clerk of the Course shall be the arbiter of the suitability of all reconnaissance vehicles.

9. Check In / Registration

9.1 Competitor Registration

Competitor check in must be completed prior to the start of the event and at the scheduled times. Any late check in must be coordinated through the Clerk of the Course. No in person entry will be allowed at the event. Please refer to section 3 and 4 for references.

9.2 Competitor & Crew Check In

Check in will be held at the TownPlace Suites in Tehachapi CA. At check in all information inputted at registration will be confirmed. Competitors will be issued their wristbands and receive a packet containing Recce materials and instructions, Route Book, etc.

Service crew will check in with their competitors at the hotel conference room.

10. Scrutineering

10.1 Scrutineering Location & Timetable

Scrutineering will be by appointment only beginning Friday evening from 16:00 and 21:00 on Friday December 6th. Competitors are responsible for contacting Kevin Mount at KN6NZE@gmail.com by **December 1, 2024** to schedule your appointment. Anyone who has not scheduled an appointment will be assigned a time by the Chief Scrutineer. Scrutineering location will be announced in a bulletin a week prior to the event.

10.2 Preparation for Scrutineering

All teams must have the following ready for Scrutineering.

- All competitors must present a Vehicle Log Book for the entered vehicle. Log Books will not be issued at the event without prior arrangement. If you need a Log Book, contact Doug@ara-rally.com at least 14 days before the event.
- Driver and co-driver safety equipment and competition vehicles must comply with current ARA Rally Technical Rules.
- All event required stickers and identifiers must be present on the vehicle prior to scrutineering. Vinyl packages will only be available with prior agreement with the event register or the clerk of the course.

10.3 Withdrawing from the Event.

Competitors withdrawing from competition are required to complete and submit an ARA Rally Withdrawal Slip to scoring, event organizers, time control, or a sweep team.

11. Service

11.1 Location & Times of Access

The Ridge Rally Service Area is located at 30216 Neuralia Rd, Cantil, CA 93519 just east off the 14 freeway. This area will be available starting at 07:00 on Saturday December 7th. Parking for the service area will be on the south side of the street at the markings. All trailers must be loaded and unloaded off the main road not on the asphalt. Make sure that you do not block the entire roadway. **Service spots will be numbered and assigned.** Service assignment map will be posted the week of the event start.

11.2 Size of Service Spots

Service spots in the Ridge Rally Service Area will be 50'x20'.

If you need a larger service spot, please request by contacting the Clerk of the Course by email at RodnocRacing@gmail.com **no later than December 1st.**

If competitors want to service next to someone, they need to contact the Clerk of the Course by emailing RodnocRacing@gmail.com. **No later than December 2nd.**

11.3 Additional Service Area Information & Rules

11.3.1 SERVICE AREA MUST BE LEFT CLEANER THEN FOUND. Teams in violation of this rule will be subject to a fine of five hundred dollars (\$500).

11.3.2 Service crews must notify the Chief of Service if they leave the service area to retrieve a broken competitor vehicle.

11.3.3 Once checked in, competition vehicles must stay in the service area until released from the finish impound, except for rally activities and/or repairs at a local shop.

11.3.4 Violations or infractions of event or site rules, CA. Penal Code, or CA Vehicle Code committed by any member of a team will cause assessment of penalties to their competing vehicle, including up to removal from the event.

11.3.5 No drones are allowed in the service area

11.3.6 No drugs or alcohol is permitted in the service area at any time.
